About Us

Flavica Exports Private Limited is a widely acknowledged **Human Hair Extensions Manufacturer and Exporter**. Our company is situated in Kanpur and produces a vast variety of **Raw Human Hair, Straight Hair, Wavy Hair, Curly Hair, Virgin Hair, Blonde Hair** and many others. All our hair and its products are admired for absolute strength, natural shine, softness and beautiful texture. Our customers praise us for lustrous and hygienic human hair bundles and our quality service provided to them.

We have achieved strong foothold in our domain within less time duration. Its credit goes to our team members who are the core strength of our firm and for all the hard earned acknowledgement in the industry. They work sincerely to achieve a remarkable position in national and global markets. With our proficient workforce, we have successfully satisfied a large base of clients by offering beautiful and natural hair and extensions. We have a modern processing unit which is well-equipped with advanced facilities for carrying out operations like cleaning, drying, processing, shampooing, conditioning and other related work. The raw hair is collected by us from Indian temples and origin country. For the safety of raw material and finished products, we have developed a spacious warehouse.

Our Team

We have an efficient team of energetic and experienced employees who work in coordination with each other to complete the projects on time. Our skilled and motivated personnel are dedicated to offer their quality products to our huge client base situated in domestic and international markets. Our teammates are updated with the latest trends and have the ability to customize hair in various colors, volume, lengths and textures as per clients preferences.

With an extremely talented workforce, we have successfully catered to vast client base with a variety of hair & extensions such as straight, silky, natural wave, curly, etc. Our team members are time to time trained about the new developments in the market to enhance their knowledge & skills. This enabled us in providing our clients with better products that are in trend as per the fashion industry. Moreover, our focused professionals work hand-in-hand with our customers to take proper feedback and customize the hair extensions accordingly.
